Saravana kumar.G

Web Developer / Web Designer

With Zoology degree and design expertise too,
I craft creative solutions, both old and new.
Aesthetic sense and tech skills entwined,
Bringing ideas to life, one design at a time.

Work Experiences

JUN 2022- JUN 2023
Software Developer
Gove.co

At Gove.co in Tirunelveli, I spent one Year transitioning from a Software Developer Intern to a Software Engineer. I honed problem-solving skills, leveraged business logic, and collaborated with cross-functional teams. My focus on core requirements and continuous learning enabled me to deliver high-quality software products and align solutions with company objectives.
